

Plan for CERN Summer Student Program

HuiJae-Lee¹

¹*Physics Department, Inha University**
(Dated: January 3, 2023)

I. INTRODUCTION

CERN, the biggest organization which have researched particle physics, is the dream for those who study the same field either theoretically or experimentally. There is the largest particle colliider, LHC, and 가장 큰 가속기, 검출기가 있고 전 세계 각지에서 수많은 사람들이 CERN의 입자 충돌 실험 데이터를 가지고 연구한다. 인류 역사상 가장 큰 big science
